FEEL FREE TO CRUISE PREMIUM ALL INCLUSIVE.

For some time now here at Norwegian Cruise Line we've been inviting our guests to Feel Free when cruising with us. What do we mean by those two words? Quite simply: unparalleled freedom for you to enjoy a holiday on your terms and endless choices in accommodation, dining, entertainment and fun. And, as the long-time innovator in cruise holidays, it's natural that we should now offer you even more.

That something more is Premium All Inclusive and it takes our carefree, relaxed cruising style to a whole new level. A considerable number of what were once considered 'extras' are now taken care of. I like the idea of just walking up to the bar and ordering my favourite pre-dinner tippie, sipping a cappuccino to round off a meal and knowing that the crew serving me are being tipped for the great job they do. Not to mention having the most exciting dining and entertainment scene at sea on my doorstep. And I'm confident that you are going to love it, too.

And my top tip for an even more carefree contemporary holiday? Live life in luxury in the exclusive accommodation of The Haven by Norwegian® or in our other generously-sized Suites and enjoy even more exclusive benefits and services.

So, where to cruise? In both summer 2017 and 2018 we're bringing five ships to Europe, so that's endless possibilities both in the Mediterranean and the north. If your sights are set on distant horizons, you'll discover a world of choice – be it in the Caribbean, Alaska, Hawai'i, South America, Asia, Australia and beyond.

Feel like making your dream holiday a reality? Feel Free!

Best wishes

Take in nature's spectacle amid the scenery of the Norwegian fjords, Alaskan mountains and glaciers or the volcanoes and valleys of Hawai'i. Choose your favourite sunshine island in the Caribbean, the Bahamas or Bermuda. And make inroads into your bucket list on an unforgettable cruise holiday around South America, a voyage across the South Pacific, exploring Australia and New Zealand, or taking in the exotic sights and cultures of the Far East.

FAMILY TIME

It's fun to experience new things together, whether you're making history books come alive in Europe's ancient cities, snorkelling with turtles in St. Thomas, riding a vintage train through Alaskan mountains or indoor snow sledging in Helsinki. Don't forget the camera... and smile.

NATURE'S WONDERLAND

Discover the bubbling geysers and waterfalls of Iceland, walk with penguins in the Falkland Islands, cuddle a koala in Australia, climb a volcano in Hawai'i, swim with rays in the Caribbean, gaze at towering Norwegian fjords and live your very own natural world documentary.

ADVENTURE TIME

Climb Dunn's River Falls in Jamaica. Paraglide over the Caribbean Sea. Ride in a 'troll car' across Norway's Briksdal Glacier. Take a crocodile safari in Australia. Cycle down a volcano in Hawai'i. Go on a 4X4 adventure in Mykonos. Adventures can be as varied as your imagination.

ACCESSIBLE TRAVEL FOR EVERYONE.

Norwegian Cruise Line has always had an inclusive policy for all travellers and we really do believe that our guests with special requirements should have all the services possible to have a great time when they cruise with us. Here are some of the facilities you'll find on board our ships.

GUESTS WITH LIMITED MOBILITY

We have a number of staterooms per ship that are wheelchair accessible with grab rails in the bathrooms, lower sinks and toilets, shower seats, raised beds, adjustable hanging rods in wardrobes, tilting mirrors and extra wide doors for easy access. Just one thing, if you do use a wheelchair, you must bring your own and it must be collapsible.

Some of our ships also have alarm pull rods in bathrooms and alarm buttons beside the beds and you'll find accessible toilets in a variety of public areas.

On many ships we have dedicated wheelchair positions in the main theatres and where we don't, wheelchair seating can be arranged. Our latest ships also have electrical hoists for access to pools and hot tubs. And, if you feel like a flutter, lower gaming tables and slot machines are available in our on-board casinos.

For our younger guests using wheelchairs, we have wheelchair ramps or lifts so that facilities in our Kid's and Teen's centres are easily accessible.

Please note Norwegian Cruise Line only accepts certain kinds of wheelchairs on board due to ship safety, please check www.ncl.eu/helpful-information/guests-with-special-requirements for more details.

VISUALLY IMPAIRED GUESTS

Norwegian Cruise Line welcomes all service animals. For example, visually impaired guests who sail with seeing-eye dogs will be provided with a doggie box, which is changed daily by Norwegian Cruise Line personnel. Additionally, a Norwegian Cruise Line crew member will tour the ship with the guest on their first day on board to help them get their bearings. Many Norwegian Cruise Line ships have Braille indicators and audio deck announcements in the lifts, as well as stateroom numbers in Braille.

HEARING IMPAIRED GUESTS

Norwegian Cruise Line has a number of staterooms per ship for hearing impaired guests. These offer closed captioning TV, vibrating alarm clocks and an indicating light system alerting guests to fire alarms, doorbells, smoke detectors and telephones. Those ships that do not have these designated staterooms provide TDD kits, which contain smoke detectors, door knock alerts, wake-up systems and a telephone alert.

GUESTS WITH DIABETES

Refrigerators suitable for storing insulin are available in all staterooms except Studios.

GUESTS USING OXYGEN TANKS

Guests who need oxygen or require oxygen therapy are welcome on all Norwegian Cruise Line ships; however, you must supply your own oxygen. U.S.-based Special Needs at Sea is the only company allowed to deliver and supply oxygen to Norwegian Cruise Line ships for use on board or on tours. Let us know at the time of booking that you'll be bringing oxygen on board, then contact Special Needs at Sea at 001 954 585 0575 to arrange delivery to the ship. Just a couple of points to remember, the largest tank size allowed is D; liquid oxygen is not permitted; and the number of oxygen tanks per guest is limited by applicable laws and regulations.

GUESTS REQUIRING SPECIAL DIETS

If you are on a low calorie diet, breakfast, lunch and dinner menus feature low calorie, haute cuisine dishes. Sugar-free and fat-free desserts are also available. Gluten-free, lactose-free, sodium-free, Kosher and dairy-free diets can also be catered for and must be requested at least two months before your cruise.

REQUEST AT TIME OF BOOKING:

Just call our reservations department and request at the time of booking any special requirements you may have. You will be asked to complete a medical & special requests form. See www.ncl.eu for more information.

PISA

Once a trading and political rival to Venice, Pisa has a wealth of splendid Renaissance buildings, none more so than the trio to be found on the 'Field of Miracles' – the medieval cathedral, the Duomo, with its great bronze doors, the Baptistery and that famous Leaning Tower. And don't miss the nearby walled cemetery decorated with 15th-century frescoes.

FEEL LIKE EXPLORING?

TENERIFE

Long the haunt of northern Europeans seeking winter sunshine, Tenerife offers so much more than just holiday resorts. So take a tour and explore. Discover the lush Orotava Valley with its banana trees, sub-tropical flowers and villages of balconied houses. Or the strange lunar-like landscapes and lava fields of Mount Teide National Park, the setting for Spain's highest peak, Mount Teide volcano.

MADEIRA

Funchal has been an Atlantic stop-off since the days of the Portuguese navigators, who called here for water before the long voyage west. Today you're more likely to be sipping a glass of Madeira wine overlooking the busy harbour before setting off to explore. Ride the cable car up to Monte and after strolling through the beautiful botanical gardens, descend the cobbled streets by traditional wicker sledge. Take a trip into the lush, mountainous interior with its deep valleys, terraced hillsides and levadas and admire the wonderful views.

CARIBBEAN, BERMUDA & BAHAMAS

How do you like your Caribbean? Perhaps escaping to a treasure island with white beaches and gin-clear waters? A stroll through a Spanish fortress in old San Juan, across the elegant squares of Havana or in the footsteps of Mayan priests in Central America. Maybe you yearn for the thrill of zip lining through a tropical rainforest or scuba diving over a coral reef. Or simply watching the world go by from the deck of your stylish ship? Just like the very best island cocktails, Norwegian lets you mix it up to your taste and pace and with departures from seven U.S. ports including New York, Miami and San Juan, Puerto Rico we've got the Caribbean covered however you want it to be. And if you have more islands in mind, why not escape for a few days to the fun-time Bahamas, or take a summer sojourn on the pink sand beaches of Bermuda. It's time to give in to temptation.

FEEL FREE TO SPEND SOME TIME IN PARADISE.

HAWAII & POLYNESIA

Feel like surfing the waves rather than the web? Feel Free. Because Norwegian Cruise Line's U.S.-flagged Pride of America is the only ship to call at the four main Hawaiian islands in just one week, giving you more time to explore, indulge and embrace the lifestyle of Aloha. Discover scenery like you've never seen – active volcanoes, seemingly bottomless valleys ablaze with foliage, waterfalls and gorgeous beaches. Go sea kayaking, diving, helicopter sightseeing, golf playing, hula dancing and, yes, surfing. And as we cruise Hawai'i year-round you can escape to paradise any time you're ready.

When the islands call you can now also cruise the South Pacific. In October 2017 Norwegian Jewel sets sail from Vancouver to Sydney offering three new cruises visiting Hawai'i, French Polynesia, Fiji, Vanuatu and New Caledonia.

See your local travel agent or www.ncl.eu for the complete list of prices for all categories and departure dates.

PANAMA CANAL & SOUTH AMERICA

The Panama Canal, perhaps the world's most famous shortcut, is an engineering wonder that you must experience at least once in a lifetime. Marvel as you pass through gigantic locks with just inches to spare on either side, cross the Continental Divide at Culebra Cut, sail across tropical lakes and make landfall at contrasting Atlantic and Pacific Ocean ports, from cobblestone squares of Spanish colonial Cartagena, Colombia to the beautiful beaches of Cabo San Lucas in Mexico.

Cruising South America with Norwegian Cruise Line is the perfect way to experience its myriad contrasts in just one holiday. So set sail for the remote Falklands Islands, home to more penguins than humans, the towering Chilean fjords, legendary Cape Horn, the volcanoes of Chile, chic Buenos Aires and other unforgettable sights.

FREQUENTLY ASKED QUESTIONS.

All guests please visit www.ncl.eu for further details, related forms and internet links.

BEFORE YOU CRUISE

WHAT DO I HAVE TO CONSIDER WHEN CHOOSING A TRAVEL DATE AND STATEROOM?

When deciding on your travel date, you should take into account any circumstances or events that may have an influence on your cruise experience, for example school holidays, spring break, local public holidays, special sports events etc. When choosing your stateroom please consider whether you'd like to have for example an oceanview, open balcony or enclosed balcony. Also please consider that some staterooms – especially those on lower decks – may be slightly noisier than others due to the operation of the engines. The same applies to staterooms close to nightclubs, lifts or staircases, kitchen galleys, fitness centre, kids and teens facilities and when tender boats are in operation (see online deck plans for details).

WHAT IS A GUARANTEE STATEROOM?

A Guarantee stateroom (GTY) is one where there is no stateroom number assigned at the time of booking. A stateroom may be assigned any time after final payment has been received, up to the day of sailing. A Guarantee stateroom guarantees you a stateroom in the category you have paid for (Inside, Oceanview etc.). It does not guarantee deck, location or specific bed arrangements. No changes will be made once a stateroom has been assigned.

WHAT IS A BACK-TO-BACK (COMBINED ITINERARY)?

When you take more than one cruise in consecutive order, it is called a back-to-back cruise. The cruises can be on the same ship or different ships. There can be no more than a one-day lapse between cruises for it to be considered a back-to-back cruise. Depending on the port and customs regulations, you may be required to disembark and re-embark between sailings, and may be required to

complete a Customs Declaration Form after each cruise. If you disembark while customs is inspecting the ship, you will need to wait until customs has finished before re-embarking. Some entertainment options and dining room menus may be duplicated during the second cruise.

WHAT SHALL I PACK?

The atmosphere on our modern ships is neither too dressy, nor too casual. In fact, you'll find that there are really only two types of attire you'll need. The atmosphere in the mid-ship dining room, the buffet and most of our speciality restaurants is contemporary, so cruise casual attire is perfect. If you choose the more sophisticated atmosphere of the main dining room or select speciality restaurants, we ask you to wear smart casual attire.

Norwegian's Night Out, is the perfect opportunity to get dressed up for an evening of cocktails, fine dining and great entertainment. You may also want to pack all-white for our iconic White Hot Party or H₂ GLOW Party. And we recommend packing a sweater/pashmina too as some guests find the air conditioning a bit chilly.

As all your suitcases are collected the night before we return home, don't forget to bring an overnight bag for prescriptions and need-to-have items.

HOW MANY SUITCASES CAN I TAKE?

Each guest is allowed up to two pieces of checked luggage, each with a 22 kg maximum. If travelling by air, remember that airlines do have their own checked baggage and hand luggage restrictions, so please check these before travel. Airlines and Norwegian Cruise Line have limited liability loss, so be sure all baggage and personal belongings are properly insured. Suitcases should be tagged. Medicines in their original containers, jewellery, fragile items, valuables and important documents should be carried in your hand luggage. If you are bringing your wheelchair, check with your airline for any restrictions they may have.

WHICH ITEMS ARE NOT PERMITTED ON BOARD?

Guests are not allowed to bring any intoxicating liquors/beverages, travel irons, firearms,

weapons of any kind, ammunition, explosive substances or any goods of a dangerous nature on board. Animals of any kind are not allowed on board, except service or guide animals, provided the guest notifies Norwegian Cruise Line prior to the cruise of his intention to bring such an animal. Such guests must also agree to take sole responsibility for any expense, damage, injuries or losses associated with or caused by such an animal.

WHAT ARE PASSPORT AND VISA REQUIREMENTS?

Guests are responsible for ensuring they fulfil all passport and visa requirements for all countries visited during the cruise and when travelling to and from the port of embarkation/disembarkation. EU citizens need a full e-passport which must be valid for a minimum of six months beyond their return (also applicable for children of any age). A passport is also required for all European sailings (exception: citizens of Schengen States cruising on itineraries that do not leave EU territory). For further information please visit www.ncl.eu/visa-requirements.

In order to enter the U.S. under the Visa Waiver Programme, each traveller (including children) must present a machine-readable passport (additionally European e-passports issued after October 26, 2006 need to include a chip for biometrical data). Travellers with non-compliant passports must have a visa to travel to the United States. Should you need to obtain a visa, please be sure to apply for a multiple entry visa.

The Electronic System for Travel Authorisation (ESTA) is effective for citizens and eligible nationals of Visa Waiver Programme (VWP) countries to apply for advance authorisation to travel to the United States under the VWP. ESTA stipulates that all Visa Waiver Programme travellers are required to obtain via the internet (<https://esta.cbp.dhs.gov>) an electronic travel authorisation prior to boarding a carrier to travel by air or sea to the U.S. under the VWP. Countries currently enrolled in the VWP include the UK, Germany, Belgium, Denmark, Finland, France, Italy, the Netherlands, Norway, Portugal and Sweden, among others. ESTA authorisations are valid for multiple entries within two years (or less if the passport expires during this period). Please note that U.S. authorities will charge a fee of US \$14 per person (status: March 2017) for travel authorisation. This fee has to be paid by

credit card during the application process. Additional information regarding the VWP and ESTA is available at www.cbp.gov/esta. For U.S.-bound Atlantic Crossings, we strongly advise guests to print out their ESTA before travelling, as this is a requirement at check-in before you can board the ship.

Please be aware that immigration regulations are subject to change. For current information, please visit <http://travel.state.gov/content/visas/english.html> or check with your travel agent and the respective embassies or consulates. The information above refers to the status at the time of printing. It is assumed that the traveller is a citizen of an EU-state that is a member of the Schengen Agreement. For all EU citizens of a member state that is a Non-Schengen state, you will have to check individual treaties between your state and the U.S. Government, whether you are part of the Visa Waiver Programme or you need to apply for a special tourist visa at the U.S. embassy of your home state. Please consider that the application for a visa could take up to three months. To check participation of your state in the Visa Waiver Programme please refer to <https://www.cbp.gov/travel/international-visitors/frequently-asked-questions-about-visa-waiver-program-vwp-and-electronic-system-travel>.

Similarly to the U.S. VWP, since October 15, 2016, Canada requires visa-exempt foreign nationals who fly to or via Canada to obtain an Electronic Travel Authorization (eTA) prior to travel. For information please visit www.cic.gc.ca/english/visit.

All travellers that are non-EU citizens please check your individual passport and immigration requirements with your travel agent and the respective embassies or consulates. Personal circumstances cannot be considered. We will try within our means to inform you of any possible changes. During most cruises, Norwegian Cruise Line personnel will need to retain your passport. You therefore have to carry a second government-issued photo ID with you at all times. It is the sole responsibility of the guest to provide all necessary documentation. Guests are not entitled to a refund if entry into any foreign territory or boarding is denied by immigration officials or Norwegian Cruise Line personnel for lack of proper documents.

The American Transportation Security Administration (TSA) has implemented the Secure Flight Programme for international air traffic. This programme intends to reduce the instances of misidentification of the travel authorized passengers to the U.S. as well as to enhance the security of air travel. Within this programme, all airlines commit to transmit the following Secure Flight Passenger Data (SFPD) from travellers which are arriving in and/or departing from the U.S. to the U.S. Department of Homeland Security: Full name as per valid government-issued passport (including middle name, initials), date of birth, gender and Redress Number (if applicable). Therefore we ask all guests to check their confirmation carefully. In case of any incorrect data appearing on the confirmation, please contact our reservations department. If there is no client data available at the time of booking, Norwegian Cruise Line will use the data from the Online Check-In. For further information on the Secure Flight Programme please visit <http://www.tsa.gov/secureflight>. Providing the Secure Flight Data

does not release from the obligation to apply for the advanced authorization to travel to the U.S. under the ESTA programme.

A visa is required for some of the destinations visited on the Norwegian Jewel cruises on pages 93 and 105–109. The relevant information can be found here: CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). The required visas can be requested via the visa and passport service provider CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). If you would like to explore St. Petersburg individually, you can also request the corresponding visa via CIBTvisas. Additionally, all cruise guests sailing from a U.S. port to Cuba require a Cuban visa which needs to be obtained prior to your cruise. Please ask at time of booking or contact CIBTvisas. In all cases a fee applies. For cruises to Cuba, guests also need to document that they fulfil the requirements concerning cultural exchanges by completing a self-certification form which must be sent to Norwegian Cruise Line at least 30 days prior to the cruise departure. Guests are responsible for ensuring they are in possession of all relevant documentation and visas for the entire cruise itinerary including all ports of call.

Customs allowances may vary depending on the itinerary. Please check on board, with your Ministry of Foreign Affairs or with the respective customs authorities for the most up-to-date information.

WILL I NEED TRAVEL INSURANCE?

Norwegian Cruise Line's liability is limited by international agreements and the Terms and Conditions of Passage. We therefore recommend purchasing appropriate travel, health and luggage insurance before your cruise.

WHAT ARE NORWEGIAN CRUISE LINE'S AGE REQUIREMENTS?

All facts stated below apply at the time of embarkation. Infants sailing on board a Norwegian Cruise Line vessel must be at least six months of age. However, for voyages that have three or more consecutive days at sea, the infant must be at least 12 months old.

When on board, a minor is defined as an individual under 18 years of age at the time of embarkation. A young adult is defined as an individual between the ages of 18 and 20. Please note that this does not relate to child pricing in our brochures, where the age is 2-17 years old.

Company policy states that guests under 21 years of age must be accompanied in the same, connecting, or side by side stateroom by a guest who is 21 years of age or older at the time of embarkation (staterooms opposite of each other are not applicable under this policy). For guests under the age of 18 travelling with an accompanying adult, who is not the minor's parent or legal guardian, a Parent/Guardian Release Form (available here: www.pdf.ncl.eu/ParentGuardianConsent.pdf) that authorises the minor's travel and further authorises medical treatment in case of an emergency must be given to a Norwegian Cruise Line representative at the pier during check-in. Failure to present the completed form at embarkation may result in boarding being denied, with no refund provided.

On cruises that include a Canadian port,

guests under 18 travelling with a single parent have to provide a letter of approval (preferably notarised) from the parent not travelling. Note: Two people under the age of 21 may travel together in the same stateroom if they are a married couple and provide proof of marriage to a Norwegian Cruise Line representative at the pier before embarkation.

Children under 16 years of age are not allowed to enter the fitness centre. The minimum age for use of the Casino and the Thermal Spa (sauna, steam room, hot tubs) is 18. Some bars and lounges on board Norwegian Epic and Breakaway (Plus)-Class ships, for example Spice H₂O, are adult only (18 and over). We do not have lifeguards on duty; all children under 12 must have adult supervision.

For safety reasons children must not be left unattended on board when going ashore.

WHAT ABOUT GUESTS WITH SPECIAL NEEDS?

We welcome guests with special needs. Guests who have mobility impairments should travel with someone who will take responsibility for any assistance needed during the cruise and in the event of an emergency.

We have a number of staterooms per ship that are wheelchair accessible with grab rails in the bathrooms, lower sinks and toilets, shower seats, raised beds, adjustable hanging rods in wardrobes, tilting mirrors and extra wide doors for easy access.

If you do use a wheelchair, you must bring your own and it must be collapsible. If you do not wish to bring your own wheelchair on board, please contact our U.S.-based supplier Special Needs at Sea on 001 954 585 0575 to arrange delivery of one to the ship. All wheelchairs and scooters must be stored in your stateroom; they cannot be left in the hallway or any other public area. All guests who require medical equipment to be brought on board must advise Norwegian Cruise Line before sailing. Failure to do so may result in equipment not being cleared before departure. To ensure the safety of our guests and crew, wheelchairs may not be used to transfer from the ship to a tender. Guests in wheelchairs may consequently not be able to participate in certain activities or shore excursions in tender ports.

For hearing-impaired guests, we have staterooms with vibrating alarm clocks and a flashing light system alerting guests to fire alarms. For the vision-impaired, we allow registered guide dogs on all Norwegian Cruise Line ships (airline and international quarantine restrictions may apply and should be checked before booking your cruise).

Guests who need oxygen or require oxygen therapy are welcome on all Norwegian Cruise Line ships; however, you must supply your own oxygen. U.S.-based Special Needs at Sea is the only company allowed to deliver and supply oxygen to Norwegian Cruise Line ships. Let us know at the time of booking that you'll be bringing oxygen on board, then contact Special Needs at Sea at 001 954 585 0575 to arrange delivery to the ship.

Any physical challenge or medical condition that requires special treatment or attention must be reported to Norwegian Cruise Line at

the time of booking. For certain conditions we ask for medical declaration and liability forms. Due to unpredictable circumstances at sea, Norwegian Cruise Line must reserve the right to refuse or revoke passage to anyone who, based upon objective standards, is in a physical or mental condition that jeopardises the safe operation of the vessel, who poses a direct threat to the health or safety of others or who may require care beyond that which Norwegian Cruise Line can provide.

For guests with diabetes, refrigerators suitable for storing insulin are available in all staterooms except Studios (category T1).

If you are on a low calorie diet, breakfast, lunch and dinner menus feature low calorie, haute cuisine dishes. Sugar-free and fat-free desserts are also available. Gluten-free, lactose-free, sodium-free, Kosher and dairy-free diets can also be catered for and must be requested at least two months before your cruise. For further information see www.ncl.eu.

WHAT IF I'M PREGNANT?

Norwegian Cruise Line will make every effort to accommodate you. However, to ensure your medical safety you must complete all travel before the 24th week of pregnancy. A medical certificate establishing your due date and fitness to travel is required prior to the cruise. Please be aware that Norwegian Cruise Line will not be liable if you are denied boarding at the port nor will we be responsible or liable for any complications of pregnancy that occur during the cruise.

WHICH VACCINATIONS MIGHT BE NECESSARY?

Since recommended immunisations and other health precautions often change, we suggest that you contact your physician, the local public health department or the Centre for Disease Control in time before departure. For further information please visit www.ncl.eu/vaccinations.

WHAT IS ONLINE CHECK-IN?

In order to comply with government regulations covering departure manifests, be sure to register online through our website (www.ncl.eu) after you have paid in full and before you leave on your Norwegian Cruise Line holiday. We strongly recommend that guests complete their Online Check-In at least four days before sailing, as otherwise they may be subject to an extended check-in procedure at the cruise terminal or may even be denied boarding.

WHAT DOES MY CRUISE FARE INCLUDE?

Please note that the information provided in this paragraph is correct at the time of going to print but subject to change.

ON BOARD

WHEN CAN I BOARD THE SHIP?

Arrival at the Cruise Terminal: For your comfort and convenience, we recommend that guests do not arrive at the cruise terminal more than one hour prior to the scheduled embarkation time printed on their cruise documents. Due to security regulations, you may not be allowed to enter the cruise terminal before the scheduled embarkation time and may want to avoid waiting in potentially inclement weather as the waiting area outside the cruise terminal may be restricted. Please also note that refreshment facilities and seating at and around the cruise terminal may be

limited. During the Online Check-In, you may be asked to select an arrival time at the pier. Please make sure to arrive at the selected time.

Final Boarding Time: In order to facilitate the embarkation process and the processing of your eDocs, and to comply with government regulations governing departure manifests, all guests are required to complete the Online Check-In at least one day prior to sailing. All guests must complete check-in at the cruise terminal and be on board the ship no later than one hour prior to the departure time noted on their cruise documents or they will not be permitted to sail. Please note that guests who have not filled out their Online Check-In will be required to complete check-in at the cruise terminal at least two hours prior to sailing. Any late arriving guest may join the ship at an approved port of call in the scheduled itinerary. Such guests will be responsible for all applicable fees and travel expenses to that subsequent port of call.

Boarding Time in Ports of Call: In all ports of call, it is also the guest's responsibility to be back on board the ship no later than one hour prior to the ship's scheduled departure time. Please be aware that shipboard time may differ from the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to rejoin the ship.

WHAT ABOUT CURRENCY AND HOW DO I PAY FOR MY EXTRAS ON BOARD?

The currency used on board our ships is US \$. We've made paying for on-board expenses very easy. When you check in you open a shipboard account by registering a major credit card, Visa® debit or charge card – VISA®, MasterCard®, American Express® or cash passport card*. If you prefer to pay by cash or traveller's cheques, a suggested deposit for a 7-day cruise is US \$ 300 per person, US \$ 150 per person for cruises up to 6 days or US \$ 450 per person for cruises of 8 days and more at check-in (subject to change). Then, you simply sign for your personal expenses as you go and they will be charged to your account.

***IMPORTANT:** Norwegian Cruise Line does not recommend the use of a debit card or cash passport cards as payment for your on-board folio. Please be advised that multiple holds will be placed on your card account based on your on-board purchases. Throughout the voyage incremental holds will be obtained based on your on-board expenditure. This will reduce the amount of available credit on the card or restrict the availability of cash in the checking/debit account or cash passport card. After settling your on-board folio, these card holds may remain on your account for up to 30 days after the cruise ends. To avoid overdraft charges from your bank, please make sure that you have enough available funds in your account during this hold period. Norwegian will not be responsible for overdraft charges resulting from holds placed on debit card accounts. Authorisation-hold releases are solely within the discretion of your lending institution. This will also apply to cash passports used as a credit card.

Personal Cheques or currencies other than

the US \$ cannot be accepted on board, except on our European cruises where deposits in Euros are accepted. Any excess deposit will be refunded at the end of the cruise in US \$. Please note that, should you wish to change this excess deposit to Euros, a foreign exchange fee will apply. Please also keep in mind that it's always worth having a small amount of local currency for immediate expenses on arrival at your destination and for any purchases you make at your ports of call. Traveller's cheques and most major credit cards are accepted in the ports we visit.

IS THERE A DOCTOR ON BOARD?

A doctor and nurse are on each ship to provide medical care and services at customary charges. Please note that the medical facilities are designed to provide basic medical care and guests may have to be evacuated at their own expense in the event of serious illness. Please be aware that there is no dentist on board. Norwegian Cruise Line does not have the equipment on board to assist guests with any type of dialysis treatment. Please ensure you have the right travel insurance cover. Norwegian Cruise Line has its own charging system similar to shoreside facilities in the U.S. and we do follow standard medical care, so please insure you have appropriate travel insurance.

CAN I SMOKE ON BOARD?

We want you to be comfortable on board, so staterooms and public areas throughout all our ships are smoke-free. If you smoke cigarettes, you can do so in the casino (players only) or in the Cigar Bar (where available). If you prefer pipes or cigars, you can smoke in the Cigar Bar or designated smoking lounge. Also, you can smoke cigarettes, pipes and cigars in outdoor public guest spaces and open decks where designated by the appropriate signage. Please be aware that electronic cigarettes cannot be used in public areas where there is a no smoking policy in force. Smoking inside your stateroom or on your balcony will result in a US \$ 250 cleaning charge added to your on-board account. Please note that Singapore has imposed a ban on e-cigarettes.

WHAT ABOUT ALCOHOL CONSUMPTION AND WINE CORKAGE?

Guests must be 21 years of age or older to purchase or consume alcohol (terms and conditions may vary on alcoholic beverage packages, please check at the time of booking).

With the exception of Alaska and Hawai'i itineraries, Norwegian Cruise Line permits young adults between 18 and 20 years of age to purchase and personally consume wine and beer only while on board and with the consent of an accompanying parent. Authorisation will be given only when the accompanying parent completes the Young Adult Alcoholic Beverage Waiver form. This form can be obtained and completed at the Guest Services Desk on embarkation. However, guests 18 years of age or older are permitted to consume wine and beer when sailing on round-trip voyages in Europe, South America and Australia without having to complete the Young Adult Alcoholic Beverage Waiver form.

All guests are prohibited from bringing alcohol

on board our ships. If you purchase any alcohol at one of our ports of call or in our on-board shops, we will safely store your purchase(s) and on the final night of the cruise it will be available for pick up in a designated area. Please note that for wine and champagne brought on board by you, a corkage fee will apply if consumed on board.

Norwegian Cruise Line encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates Norwegian Cruise Line's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of Norwegian Cruise Line's alcohol policy may result in immediate disembarkation.

HOW DO I GET ASHORE?

In most ports your ship docks right alongside the quay and you simply walk ashore. At a few ports, shown with an anchor symbol on the itinerary, we drop anchor at sea and you go ashore in the ship's small boats – called tenders – which offer a complimentary shuttle service to and from the port. Please note that if you are not booked on one of our shore excursions, where we guarantee a convenient pick up and drop off right at the pier, reaching the closest city centre may involve taking local public transport or a non-complimentary shuttle service.

WILL I NEED AN ELECTRICAL CONVERTER?

The voltage on board is 110 volts. For European appliances a converter is needed (U.S. norm). Hairdryers are provided in all staterooms & Suites. Irons and ironing boards can be requested through housekeeping or the Guest Services Desk.

WHAT IF I NEED TO STAY IN TOUCH WHILE I'M AWAY?

All our ships are equipped with 24-hour Internet Cafés, in addition, in most areas throughout the ship you can connect to our WiFi network on your own devices (charges apply).

Telephone and fax services are available at applicable ship-to-shore rates (see www.ncl.eu for further details).

You can also stay connected on the high seas using your own compatible mobile phone. International roaming charges are billed to your home account. Check with your service provider before travelling. Final rates are determined by your service provider and not Norwegian Cruise Line.

HOW ABOUT SAFETY AND SECURITY?

Norwegian Cruise Line adheres to the highest standard of shipbuilding in the world. All our ships meet the most current SOLAS specifications. Our ships also pass annual government safety and sanitation inspections. On the first day of your cruise, you will be asked to take part in an obligatory life boat drill, where you will learn what to do in case of an emergency. In such an event, you will be asked to go to your assigned lifeboat (detailed

directions to the so-called 'assembly station' can be found on the back of your stateroom door). We recommend that you always set your stateroom TV to standby mode to obtain all necessary information through a special channel designated for emergencies. Guests who miss the obligatory life boat drill due to joining the ship late, should contact the Guest Services Desk on board.

All Norwegian Cruise Line ships are fully stabilised for the smoothest possible cruising.

WHAT HAPPENS ON THE LAST DAY OF MY CRUISE?

When the ship has been cleared, you will proceed through customs and immigration and continue with your independent arrangements. Please ensure that you have arranged for an adequate flight time considering customs and immigration procedures (approx. 2 hours) and the transfer time to the airport. In some ports you can take advantage of our "Easy Walk-Off". This means you can leave the ship as soon as it is cleared by local authorities, carrying all your luggage off the vessel.

TERMS & CONDITIONS

These Terms & Conditions should be read carefully prior to booking. They prescribe the basis on which any NCL (Bahamas) Ltd. booking may be accepted and constitute the Contract of Carriage. With your booking and the announcement of these contract terms, they will become part of the contract. In addition, scheduled flights with international airlines are subject to the airlines' conditions of carriage, which will be available upon request from your travel agent or on our website. Please also refer to the "Frequently Asked Questions" section contained in this brochure respectively on our website (www.ncl.eu) where you will find all essential information about your holiday.

1 TRAVEL CONFIRMATION

The travel confirmation of NCL (Bahamas) Ltd., trading as Norwegian Cruise Line (hereafter Norwegian), is the acceptance of your booking request. Your booking request is based on the information and the "Frequently Asked Questions" section contained in this brochure, respectively on our website. Accepting the booking request results in a travel contract between yourself as well as all other participants who are mentioned on the confirmation and Norwegian. The travel confirmation contains the significant details of your booked services. Should the services in the travel confirmation differ from those in the booking request then a new offer is being presented by Norwegian. In this case you have 7 days in which to accept the new offer. During this period the offer remains legally binding for Norwegian. Should you accept the new offer in writing, via website, e-mail or any external booking system within 7 days or make a payment or begin your travel then the travel contract will be completed on this basis.

2 PAYMENT

2.1 Please observe the dates of payment on Norwegian's confirmation/invoice. A delayed payment may result in the cancellation of your holiday.

2.2 A security note is included within the confirmation/invoice which shows that Norwegian is insured against the risk of insolvency with HanseMerkur Reiseversicherung AG. This security note certifies the right to claim directly from the insurer in case of insolvency or bankruptcy of Norwegian.

2.3 Upon delivery of the security note, the following deposit immediately becomes payable per person.

1- to 5-day cruise

20 % of the travel fare for 1st to 8th person;

20 % for children up to 17 years of age.

6-day cruise and longer

10 % of the travel fare for 1st to 8th person;

10 % for children up to 17 years of age.

2.4 For Garden Villas (category H1/S1) and upper suite staterooms (categories H2-H9, SA and SB) different payment conditions apply. The following deposit immediately becomes payable per person:

Category H1/S1: 20 % of the travel fare for 1st to 8th person, children and infants;

Categories H2-H9, SA and SB: 20 % of the travel fare for 1st to 8th person, children and infants.

2.5 Together with the deposit payment any travel insurance premium booked via Norwegian is due.

2.6 Full payment must be credited on mentioned Norwegian account no later than 30 days before the date of travel without further prompting by Norwegian. If a reservation is made within 30 days of the commencement of the holiday, full payment will be immediately due after receipt of the confirmation, provided the security note has been delivered. For Garden Villas (category H1/S1) and upper suite staterooms (categories H2-H9, SA and SB) full payment is due 90 days before the date of travel. Delivery by Norwegian of the complete and specified travel documents is concurrent with payment in full. For bookings made less than 14 days prior to sail date, only credit card payments will be accepted by Norwegian.

2.7. Norwegian is authorized to cancel any bookings from passengers with remaining outstanding payments from previous cruise bookings. New bookings will be cancelled without further notice, if passengers do not remit the outstanding amount within 7 days after receiving the new booking confirmation.

3 TRAVEL DOCUMENTS

Travel documents will be delivered once payment is complete. If the balance due is not transferred to Norwegian's account before

the date of travel (payments to the travel agency you booked with have the effect of discharging the debt) the passenger will not be authorized to travel, instead Norwegian may charge a cancellation fee as compensation according to point 6.1. You are free to prove that no costs or considerably lower costs were incurred. Norwegian shall not accept a passenger if the balance payment has not been made before the date of travel, even if the security note has been delivered. Travel documents are made available in the form of eDocs.

4 SERVICES AND PRICES

The scope of contractual services to be offered to the passenger corresponds to the description in the brochure and on our website www.ncl.eu as well as the stipulated details in the travel confirmation. The same applies to the travel costs to be paid by the passenger. All cruise prices stated in this brochure are based on valid rates at time of printing (March 2017) and represent the lowest available price per person in double occupancy (Studios (category T1) in single occupancy) for the stateroom category specified (Inside, Oceanview, Balcony etc.). For the available price of your desired stateroom category and travel date at the time of your booking please contact your travel agency or the Norwegian reservations team or visit www.ncl.eu. All declarations stated in the booking confirmation are binding for Norwegian. Alterations and subsidiary (alterations, special requests, additions) agreements to the contractual services require specific, written confirmation by Norwegian.

5 SERVICE & FARE CHANGES

5.1 Service Changes

5.1.1 Service Changes before conclusion of contract

The brochure details are binding for Norwegian, in so far as they form the basis of the travel contract. However, Norwegian reserves the right, for justifiable reasons, to make changes to the brochure details or the holiday advertisement prior to the agreement being concluded. Norwegian would inform the passenger of these changes prior to booking. In the case of cancellation of a scheduled flight by the airline or, for example, in a case of non-compliance with the flight schedule of the airline, a change of airline, aircraft or of the arrival and departure airport may be necessary. Norwegian reserves the right to make such changes and alterations. According to the EU regulation on informing air transport guests of the identity of the operating air carrier, Norwegian is bound to inform the customer about the identity of the operating air carrier and all performances of services within the booked holiday immediately at time of booking. Alterations to the cruise itineraries are possible, e.g. due to official regulations, particular shipping conditions, medical emergencies, or when, due to adverse weather conditions or in the interest of the safety of the guests, the captain decides to alter the route. The captain makes the decisions on necessary itinerary changes and/or travel times.

5.1.2 Service Changes after conclusion of contract

Individual service changes and deviations from the contractual contents of the travel contract, which become necessary after conclusion of contract and which were brought about contrary to good faith on behalf of Norwegian are permitted so far as the changes and deviations are not considerable and do not impair the overall form of the holiday. The overall form of the holiday is considered impaired if its value or quality as implied by the customary use or the use as stipulated by the contract is made void or to a substantial degree diminished. This is determined taking into account the price, duration and date of travel. Norwegian is obliged to inform passengers of possible changes. The changed services replace the original contractual obligation. Eventual warranty claims will remain unaffected if the service replacement is inadequate. Should such service changes make the overall form of the cruise holiday unacceptable to the passenger, Norwegian offers the passenger the right to either change the booking or withdraw from the contract free of charge. Passengers also have the right to request an equivalent alternative Norwegian cruise holiday, provided Norwegian is able to offer such a cruise holiday without additional expenses. Passengers must assert their rights arising from contract changes or cancellations in writing and immediately following Norwegian's declaration of the changes.

5.2 Fare Changes

5.2.1 Fare Changes before conclusion of the contract

The fares listed are correct at the time of printing (March 2017). They are binding for Norwegian. Norwegian can declare alterations of the travel fares different from the brochure prior to conclusion of the contract. A price adjustment is permissible especially for the following reasons:

1. An increase in the costs of transportation, charges for specific services such as harbour dues or airport taxes, or a change in the exchange rates affecting the holidays in question after publication of the brochures;

2. If, after the publication of the Norwegian brochure, the cruise and/or travel package and/or hotel programme advertised in the relevant Norwegian brochure and which you wish to book is only available upon the purchase of additional places.

Thus, Norwegian expressly reserves the right for price adjustments for these reasons.

5.2.2 Fare Changes following conclusion of the contract

Under certain lawful circumstances, Norwegian reserves the right to pass on any increases in the costs of transportation, taxes, accommodation and exchange rates, provided the passenger's date of travel is more than four months after completion of contract. This is applicable exclusively for fare changes where cost factors were subject to unforeseeable changes after the conclusion of the contract. Significant and unpredictable reasons for a price increase: examples include, but are not limited to, the increase in public taxes or dues, the increase in value-added tax, changes in the world oil prices, changes in airport tax or harbour dues, or, in particular cases, a more than 20 % increase in the EURO vs. US-Dollar exchange rate. To the same extent an adjustment of the agreed travel fare is permitted should there be a change in the official transport rates due to tax increases. As proof of the legitimacy of a price change, Norwegian will provide the passenger certification of each cost and rate increase. In case of alterations of prices or services, Norwegian will contact you immediately but no later than 21 days prior to the scheduled sailing date. Increases after that date are not allowed. In the instance of any increase in price equivalent to 5 % or more of the original travel fare, Norwegian offers guests the right to either withdraw from the contract free of charge or to request the participation in an alternative cruise, provided Norwegian is able to offer such travel out of its cruise programme without additional expenses. Passengers have to assert their rights against Norwegian immediately after Norwegian has informed the passenger about price alterations.

6 CANCELLATION, BOOKING CHANGES, REPLACEMENTS, NAME CHANGES AND PROCESSING FEES

6.1 Cancellation by the passenger

Passengers can cancel their contract at any time before the date of travel. As means of proof, cancellations should be made in writing. The cancellation notice is effective upon the date of receipt by Norwegian or by your travel agent. Should the passenger cancel their booking or not commence the holiday, Norwegian reserves the right to levy charges for made travel provisions and expenses incurred. When calculating the cancellation, Norwegian takes into account the services saved and the possible other use of the services. Norwegian may claim cancellation fees expressed as a percentage of the travel fare according to the amount of notice given between cancellation date and departure date, as listed below. Passengers are free to prove to Norwegian that Norwegian has suffered no loss or a considerably slighter loss than what they are claiming for.

6.1.1 Cancellation fees per person:

1- to 5-day cruise

Up to 31 days before departure: deposit (as outlined in section 2.3) for 1st to 8th person, children and infants;

30–22 days before departure: 35 % of the travel fare for 1st to 8th person, children and infants;

21–15 days before departure: 50 % of the travel fare for 1st to 8th person, children and infants;

14–8 days before departure: 75 % of the travel fare for 1st to 8th person, children and infants;

7 days and less before departure: 95 % of the travel fare for 1st to 8th person, children and infants.

6-day cruise and longer

Up to 31 days before departure: deposit (as outlined in section 2.3) for 1st to 8th person, children and infants;

30–22 days before departure: 35 % of the travel fare for 1st to 8th person, children and infants;

21–15 days before departure: 50 % of the travel fare for 1st to 8th person, children and infants;

14–8 days before departure: 75 % of the travel fare for 1st to 8th person, children and infants;

7 days and less before departure: 95 % of the travel fare for 1st to 8th person, children and infants.

6.1.2 For Garden Villas (category H1/S1) and upper suite cabins (categories H2-H9, SA and SB) different cancellation fees per person apply:

Up to 91 days before departure: deposit (as outlined in section 2.4) for 1st to 8th person, children and infants;

90–30 days before departure: 45 % of the travel fare for 1st to 8th person, children and infants;

29–15 days before departure: 65 % of the travel fare for 1st to 8th person, children and infants;

14–8 days before departure: 75 % of the travel fare for 1st to 8th person, children and infants;

7 days and less before departure: 95 % of the travel fare for 1st to 8th person, children and infants.

6.1.3 In case of cancellation of one person booked in a double cabin, up to 31 days before departure, cancellation fees apply for the person cancelling analogous to the cancellation fees set out under 6.1.1. The remaining person in the booked stateroom will be rebooked to single occupancy and charged the single occupancy rate. From 30 days prior to departure, cancellation fees for the person cancelling apply analogous to the cancellation fees set out under 6.1.1. The already confirmed rate per person for the remaining person does not change.

6.2 Booking Changes

Passenger's booking can be changed upon request and subject to availability (rebooking). Rebookings include any changes of travel date, destination, travel accession, hotel schedule, cabin category or mode of transportation. This can be done until 31 days before the date of travel. Norwegian charges the sum of EUR 50 rebooking fee per person. Rebooking fees of the airlines (depending booked class of service and fare) or any other costs incurred or imposed by any of our suppliers will be charged in all cases and in addition. Should the passenger wish to make a rebooking less than 31 days before the date of travel, then booking changes can only be made, if at all possible, by cancelling the travel contract under the conditions stated in 6.1. Rebooking fees of the airlines or any other costs incurred or imposed by any of our suppliers will always be charged. Any form of alteration made to the date of travel, destination or place of departure, the hotel package, the cabin or mode of transport is considered as a change. When rebooking cabins of the "Garden Villa" category (category H1/S1) or upper suite cabins (categories H2-H9, SA and SB) different rebooking fees per person apply analogous to the cancellation fees set out under 6.1.2.

6.3 Replacements of Guests

Up to the date of travel, i.e. taking into consideration a reasonable amount of time for organizational matters, passengers may demand that a third party takes over all rights and liabilities of passenger's travel contract. Norwegian reserves the right to decline the third party should he/she not meet the travel requirements or should there be legal restrictions or an official directive against his/her participation. Should a third party enter the contract then he/she and you are liable as codebtors for the travel fare and the additional costs caused by the third party entering, e.g. airline charges for scheduled flights.

6.4 Name Changes

At the time of booking all guest names need to be submitted to Norwegian. Names need to be congruent with the valid guest passports. For any change in the spelling of name, middle name(s) or surname(s) made more than 5 days prior to departure, Norwegian reserves the right to pass on a service fee of EUR 50 per person together with any costs incurred or imposed by any of our suppliers. Should the passenger wish to make a name change less than 5 days before the date of travel, this can only be done, if at all possible, by cancelling the travel contract under the conditions stated in 6.1 and rebooking. When rebooking cabins of the "Garden Villa" category (category H1/S1) or upper suite cabins (categories H2-H9, SA and SB) different rebooking fees per person apply analogous to the cancellation fees set out under 6.1.2. 6.3 will not be affected.

6.5 Service fees and charges for cancellations, booking changes and name changes are payable immediately.

7 CANCELLATION IN EXTREME CIRCUMSTANCES

7.1 Cancellation prior to the date of travel

Should travel be largely hindered, endangered or affected due to a force majeure event (e.g. through war, domestic turbulence, natural disasters, epidemic outbreaks, government authority measures, e.g. accommodation or transport embargos, ship loss or other similar incidents) which were not predictable at the time of conclusion of the contract, then both the guest and Norwegian may cancel the contract. Norwegian will refund the travel costs immediately. However, Norwegian reserves the right to charge a reasonable reimbursement for travel services already provided

or still to be provided.

7.2 Cancellation after date of travel

Should the cancellation be made after the date of travel, Norwegian is obliged to take the necessary action, if possible, for return transportation. The charges for the return transport will be shared by both parties. Other additional costs will be charged to you as the traveller.

8 LIMITATION OF LIABILITY

8.1 Norwegian's contractual liability is limited to three times the travel fare for damages which are not personal injuries (also liability for the violation of precontractual liabilities and duties arising out of the main contract or any additional contract), as far as the damage was not caused by intention or gross negligence, or as far as Norwegian is liable for the damage being solely caused by default of a service provider. The provisions of the Convention Relating to the Carriage of Passengers and Their Luggage by Sea 1974 as amended by the 2002 Protocol ("2002 Athens Convention") and EC Regulation 392/2009 apply to the cruise element as well as the process of getting on or off the ship concerned.

8.2 Damage claims against Norwegian can be restricted or ruled out according to the statutory regulations of international agreements (e.g. Montreal Convention) applying to the service performance of service providers, whereby damage claims against service providers may only be made or ruled out under certain provisions and with certain limitations. Thus Norwegian may claim e.g. that the service providers are not liable for flight, train, and bus or ship delays so that Norwegian too does not have to answer for the missed connections.

8.3 Norwegian is not liable for the accuracy of information printed in hotel and local brochures. Norwegian can neither influence their origin nor control their accuracy. Likewise, Norwegian is not liable for changes in political circumstances or entry regulations, making an entry to the country or destination difficult or impossible, provided these occur after the printing date of the brochure. In the event that changes are necessary, we will always try to advise you in advance, but this cannot be guaranteed.

8.4 Loss or damage to baggage during embarkation or debarkation must be reported. You are obliged to notify Norwegian or an official agent thereof in writing. Should cabin baggage be noticeably damaged externally then you must submit written notice forthwith; at the latest by the time of debarkation. Should other baggage, which has been handled or stored by the crew, be noticeably damaged externally then the passenger must report this upon receipt of passenger's baggage. If the damage is not noticeable externally then the notice must be submitted no later than 15 days after debarkation, receipt of baggage, or date of scheduled receipt of baggage. In the case of loss or damage of checked baggage on your outbound or inbound flight, please contact the air carrier or its representative at the airport immediately upon ascertainment of damage. Guests' own carrying, storing and handling of baggage on board will always be at the guests' own risk. Any damage to cabin baggage is limited to a maximum amount of 2.250 units of account (the unit of account is the special drawing right of the International Monetary Fund (IMF)). The corresponding amount in Euros is determined on the basis of the applicable conversion rate of the Euro to the special drawing right of the IMF) per customer and voyage, insofar as the damage was not caused by intention or gross negligence on the part of Norwegian, or insofar as Norwegian is liable for a damage solely caused by default of a service provider. In case of loss of or damage to mobility equipment or other specific equipment that is used by a passenger with reduced mobility, Norwegian is responsible for the reasonable replacement value of the equipment concerned or, where appropriate, the costs of repair (§§ 537 et seq. HGB in compliance with EC Regulation 392/2009).

9 TRAVEL INSURANCE

Travel insurance is not part of the travel contract and is not included in the travel fare. Norwegian recommends the conclusion of a travel cancellation and of a travel interruption insurance. It is always in the guest's responsibility to add insurance. Norwegian does not check the extent or adequacy of the cover provided by any insurance policy. The contractual relationship is established exclusively between you and the insurance company. The passenger is solely responsible for complying with any duty arising out of the travel insurance contract and for asserting any right out of the travel insurance contract towards the travel insurance company.

10 SHORE EXCURSION PROGRAMME

Norwegian has compiled an extensive shore excursion programme for passengers, which is available exclusively from local event organizers at the relevant destinations

(ports). Norwegian has no involvement in the shore excursion programme which is not managed or supervised or controlled by Norwegian in any way. The shore excursion programme is provided by local operators who are independent of Norwegian. Shore excursion operators schedule their tours to match the docking times of the ship. Shore excursions can be booked either before the commencement of the holiday via passenger's travel agency, the Norwegian reservations department or the internet, or on board the ship at the Shore Excursion Desk and, where available, interactive touch screens, iTV or the iConcierge app. As the number of participants admitted to particular excursions is limited, it is recommended that passengers book the excursions they are interested in prior to their departure. Please note that certain shore excursions are subject to a minimum number of participants. The minimum number of participants required is mentioned in the shore excursion programme and you will be notified on board whether your shore excursion reached the minimum number of participants and will take place. Excursions will be charged to your on-board account. Pre-booked excursions are payable immediately by credit card. Norwegian expressly points out that all shore excursions (including sporting events, theatre visits, exhibitions, sightseeing tours, guided tours etc.), whether in English, German or Spanish etc. are optional. Norwegian is not liable for the services or actions of local event organizers and impairments of performance during realization of their programmes. Norwegian acts as an agent for these third-party services purely as a service for your convenience.

11 LANGUAGE ON BOARD/GUEST SERVICE

Please note that the official language on board is English, and that all announcements and safety measures (emergency drills) will therefore be carried out in English. A basic knowledge of the English language is therefore necessary. A more advanced knowledge of English is to be recommended.

Norwegian makes every effort to have a multi-lingual international hostess on all ships. This guest service is intended to help passengers overcome any language barriers and assist passengers with any language-related problems a passenger may have. The international hostesses do not take on the function of tour guide. In other words, they do not look after the organizational aspects of your holiday, nor do they act as a personal travel representative. If Norwegian is unable to provide this language service on a particular cruise, please understand that this does not constitute grounds for complaint.

12 WARRANTY

12.1 Remedy

Should the passenger, contrary to expectation, have reasons for complaint, the passenger can seek remedy. According to the law of warranty and the right of notice, the passenger is obliged to report the deficiency forthwith on-site to the ship's reception or an international hostess and then present Norwegian with a time limit to provide a remedy, unless remedy is impossible or is refused by Norwegian. Norwegian can offer remedy by providing an equivalent replacement service as long as this is reasonable. Should Norwegian offer the passenger a reasonable remedy then the passenger is obliged to accept it. Should the passenger refuse a reasonable offer, the passenger is no longer entitled to make warranty claims for inconveniences. Alternatively address your remedy claims directly to:

NCL (Bahamas) Ltd., Wiesbaden Office
Continental Europe Branch
Kreuzberger Ring 68
65205 Wiesbaden, Germany
Tel.: +49 611 36 07 0

If Norwegian, contrary to obligation, does not succeed in providing a remedy within a given fair time limit then you may seek your own remedy. Hostesses or responsible travel staff are not authorized to recognize any claims, they may only confirm the registration of your complaints. Should you not fulfil this duty to cooperate by actual fault, then you will not be entitled to make a claim.

12.2 Price Reduction

In the unlikely event that a defect according to § 651c clause 1 BGB arises during the journey which could not be remedied, then you may ask for a price reduction. This is, however, on condition that the passenger has not defaulted on reporting this defect. In addition, according to §§ 651e, f BGB you may cancel the holiday completely or you may claim damages for non-performance.

12.3 Claims and Time Limits

Notice of any claim must be made to Norwegian within a month following the travel termination as per contract. Norwegian recommends the passenger to make the claim in writing. Limitation of claim: All travel claims (§§ 651c-f BGB) submitted to Norwegian expire after one year. Thereof are excluded contractual damage claims due to death, personal

injury or damage to baggage or caused to someone's health. These are limited to 2 years. The limitation begins with the travel termination date as per contract (§ 651g clause II article 2 BGB). Damage claims for unlawful acts are limited to three years provided they are not subject to the German Commercial Code (HGB), Shipping Law. The said damage claims based on death, personal injury or damage to baggage, raised according to Shipping Law, are limited to 2 years.

12.4 Should you not make use of a service due to early return or for other urgent reasons, then Norwegian will try for reimbursement of these services from the service providers, unless the services are irrelevant or reimbursement is opposed by legal or official regulations. Your right to cancel due to default will remain unaffected.

13 PASSPORT, VISA, CUSTOMS, CURRENCY AND HEALTH REQUIREMENTS

Norwegian is responsible for making sure that citizens of those countries where the tour is offered are informed of passport, visa and health requirements and possible changes thereof prior to starting the journey. Norwegian may delegate this instruction to the travel agent. Citizens of other countries, should check passport, visa and any other entry requirements with the passenger's own country's embassy. In doing so, Norwegian assumes that there are no peculiarities in the passenger itself and potential fellow travellers (e.g. dual citizenship, statelessness). EU citizens require a machine-readable passport, which must be valid for a minimum of six months beyond their return. This also applies to children and as well to holidays within Europe. ENTRY DOCUMENTS REQUIRED FOR CHILDREN: Children in possession of a machine-readable child's passport are entitled to enter the USA without visa, PROVIDED THAT the machine-readable child's passport has been issued or extended before October 26, 2006. Any machine-readable child's passport issued on or after October 26, 2006 does not entitle the respective holder to enter or transit the U.S. without visa; in this case, a normal machine-readable ePass or a visa valid for the U.S. has to be applied for the respective child. Due to European standards children's entry in the parents' passport will not be accepted anymore as of June 26, 2012. As of this date every child requires its own travel document.

Any person under the age of 18 who is not accompanied by a parent authorized to represent him/her must have an officially certified declaration of consent of his/her legal guardian. On cruises that include a Canadian port, any person under the age of 18 who is accompanied by one parent only must have a written declaration of consent of the other parent.

Please keep in mind that the regulations governing entry may change at any time and at short notice. Passengers will find the entry regulations applying to the date of passenger's departure on the website of the Foreign Office/the Ministry of Foreign Affairs/the EDA or of the respective embassy. Our website informs you on a daily basis and your travel agency will also inform you of the respective valid provisions. We therefore ask you to check the situation for any change shortly before your departure, as obtaining and availability of the required travel documents, any required vaccination and compliance with the customs and exchange regulations is incumbent on the passenger. Any disadvantage arising out of non-compliance with the said regulations such as payment of any cancellation fees shall be borne by the passenger. It is important that the passengers familiarize themselves with the applicable customs and immigration regulations, which are listed in the "Frequently Asked Questions" section of this brochure and on our website.

U.S. law and health regulations apply on board of the Norwegian ships. Please note that due to the increased level of security, the "Online Check-In", i.e. the mandatory guest registration with the passenger's passport data must be provided to Norwegian, even if the passenger is not actually entering the United States. Failure to provide the requested passport data will prevent the passenger from boarding the ship. Guests should visit www.ncl.eu, complete the Online Check-In form and submit the relevant information online to Norwegian at least 4 days prior to sailing. For Online Check-In forms that are not completed online, Norwegian charges a service fee of EUR 10 per person. For any further questions, please contact your travel agent. The Online Check-In does not exempt from the inspection of the guest's travel documents by the local border police and port authorities during check-in at the embarkation port.

14 RESTRICTIONS AND EXCLUSIONS OF CONVEYANCE

14.1 Passengers under 21 years of age must be accompanied in the same or neighbouring stateroom by a guest 21 years or older at the time of embarkation, who expressly agrees to be responsible for the guest under 21 years of age at the time of embarkation. Norwegian is not allowed to sell alcohol to minors. A minor is defined as an individual under 18 years of age at

the time of embarkation. Guests aged 18 to 20 years have to carry along a written parental approval to be allowed to buy or consume wine and beer on board (except for sailings around Hawaii and Alaska). Guests who are 18 years of age or older are permitted to consume beer and wine when sailing on round-trip voyages in Europe, South America and Australia without having to complete the Young Adult Alcoholic Beverage Waiver Form.

14.2 For safety reasons infants under the age of six months are not allowed on board. However, for voyages that have three or more consecutive days at sea, the infant must be at least 12 months old at time of sailing.

14.3 Norwegian will not accept guests who will have entered their 24th week of pregnancy by the time of their travel. A medical certificate establishing due date and fitness to travel must accompany an expectant mother's application for passage. Norwegian will not be responsible or liable for any complications of pregnancy which arise or occur during the cruise.

14.4 Any physical challenge or medical condition that requires special treatment or attention must be reported to Norwegian at the time of booking. For certain conditions we ask for liability forms. Norwegian has the right to refuse or revoke passage to anyone who, in our judgement, is in physical or mental condition unfit for cruise travel or who may require care beyond what Norwegian can provide. All physically impaired guests must be self-sufficient. Guests who are unable to care for their basic needs (e.g. dressing, eating and attending safety drills) must travel with a guest who will provide any assistance needed during the cruise or in the event of an emergency. Guests who use a wheelchair must provide their own small, collapsible type. Important information for guests with limited mobility about gangways and the possibility of tendering is provided in the "Frequently Asked Questions" section at www.ncl.eu, by the respective travel agent or our reservations department.

14.5 If, according to the judgement of the ship's captain, in cases of physical or mental reasons in consultation with the ship's doctor, a guest is not or no longer able to travel or if he/she puts at risk his/her health or security, or represents a danger to the health or security of any other person on board, the ship's captain shall be entitled at any time to prevent the respective person from embarking or returning on board or to order the disembarkation of the respective person in a particular port.

14.6 Wearing diapers in the swimming pools or hot tubs is not allowed. People and children dependent on diapers are not allowed in these areas, not even with special swimming diapers.

14.7 If guests contract an infectious virus or bacterial illness while on board, the ship's doctor is permitted to confine them to their cabins for health and safety reasons.

14.8 Due to the U.S. government sanctions issued by the Office of Foreign Assets Control ("OFAC") directed towards North Korea, Cuba, Sudan, Iran and Syria, cruise lines based in the United States are limited in their ability to conduct business with the aforementioned sanctioned countries and their citizens. Therefore, it is Norwegian Cruise Line's policy that if you are a citizen or resident of those sanctioned countries you will not be able to sail on board Norwegian Cruise Line's ships, unless you can present valid documentation, demonstrating proof of citizenship in a non-sanctioned country or proof of residency in a non-sanctioned country and can pay the cruise travel fare and any on-board expenses by means of a resident bank of a non-sanctioned country.

15 HEALTHCARE ON BOARD

Each ship of Norwegian is equipped with a "Medical Center" in which a doctor and a nurse will provide you with medical care. In accordance with the U.S. Health Regulations and the International Council of Cruise Lines, each ship of Norwegian is equipped with medical supplies and common medicaments. Treatment on board can be provided, however, only to a limited extent, and consists only in primary care; in the event of any risk, the patient may leave the ship in the next port at his/her own expense. Treatment has to be paid for immediately and cannot be invoiced to your health insurance. You will receive a detailed invoice which you may submit to your health insurance company for reimbursement. The services provided by the ship's doctor are not included in the travel contract and the ship's doctor is not bound by Norwegian's instructions as far as his professional decisions are concerned.

16 DATA PROTECTION

During the booking process, passengers provide Norwegian with personal data required by the latter for the execution of the voyage. Norwegian executes your booking order by complying with the valid data protection provisions. Norwegian uses your personal data for the execution of your orders, requirements and requests as well as for the purpose of market research solely on behalf of Norwegian Cruise Line. Only in the event you did previously grant Norwegian your respective consent,

Norwegian will use the said data for product-related enquiries and for marketing purposes. Norwegian draws your attention to the fact that Norwegian uses your personal data such as name, address and/or e-mail address in order to provide you from time to time with information on the Norwegian Latitudes Rewards Programme and with newsletters by e-mail and/or by regular mail. Your data will be used for the sending of the said information only if you applied for them through an internet page of Norwegian. You may oppose at any time to the use of your data for the said purposes by canceling the provision of the said information. Any personal data shall be transmitted exclusively to those companies involved in your booking. Norwegian shall not provide any third party with your data without having obtained your express consent or without being legally obliged to do so.

17 MISCELLANEOUS

Please keep in mind that you need to have completed check-in on the day of embarkation at the latest two hours ahead of the departure time stated in your cruise documents. It is the guest's responsibility to keep this embarkation time in the port of embarkation. All costs incurred as a result of not boarding the ship on time at the embarkation port shall be borne by the guest.

In all ports of call guests must return to the ship no less than one hour before the scheduled departure time. Please consider that shipboard and shoreside clocks may have different times, but it is the guest's responsibility to return to the ship on time so as not to miss the ship's departure. Any costs associated with transporting the guest to rejoin the ship including, but not limited to, government fees, visa fees, subsistence, lodging, air fare, car hire or agency fees shall be borne by the guest.

For your information we kindly ask you to read our "Frequently Asked Questions" section in this brochure or on our website www.ncl.eu. For further questions please contact your travel agent or our reservations department.
