HOW TO GET TO THE PORT.

FLY-CRUISE PACKAGES

From select European airports we offer convenient fly-cruise packages to take you directly to your ship and back home. If you have booked a Norwegian Cruise Line fly-cruise package, your transfers between airport and pier and for some destinations a pre-cruise hotel stay are also included. Please see www.ncl.eu/transfers or your travel agent for details.

TRANSFER SERVICE

If you book your flights individually you can make use of our transfer service that is available in most of our embarkation and disembarkation ports worldwide. Our comfortable transport service takes you from the airport to the pier on embarkation day and back from the pier to the airport on disembarkation day. It also includes a

meet & greet by Norwegian Cruise Line staff at the destination airport as well as luggage handling. Please see www.ncl.eu/transfers or call our reservations department for the latest prices.

Note: Guests need to be checked in at least two hours prior to departure time of the vessel. Transfers between airport and pier are scheduled accordingly. Please call our reservations department for detailed information regarding the latest arrival time of your flight at your port of embarkation. Please plan your outbound flight accordingly. It is important for the booking of your return flight to remember that disembarkation usually begins two hours after docking and that the duration of your airport transfer depends on local traffic. You will receive all information necessary for the organisation of your return flight from our reservations department. It is the guests' responsibility to arrive on time for their transfers. All consequential losses due to non-appearance (e.g. unpunctual arrivals to the ship or missed flights) are to be covered by the guest.

FREQUENTLY ASKED QUESTIONS.

ALL GUESTS PLEASE VISIT WWW.NCL.EU FOR FURTHER DETAILS, RELATED FORMS AND INTERNET LINKS.

BEFORE YOU CRUISE

WHAT DO I HAVE TO CONSIDER WHEN CHOOSING A TRAVEL DATE AND STATEROOM?

When deciding on your travel date, you should take into account any circumstances or events that may have an influence on your cruise experience, for example school holidays, spring break, local public holidays, special sports events etc. When choosing your stateroom please consider whether you'd like to have for example an ocean view, open balcony or enclosed balcony. Also please consider that some staterooms – especially those on lower decks – may be slightly noisier than others due to the operation of the engines. The same applies to staterooms close to nightclubs, lifts or staircases, kitchen galleys, fitness centres, kids and teens facilities and when tender boats are in operation (see deck plans for details on pages 100-125).

WHAT IS A GUARANTEE STATEROOM?

A Guarantee stateroom (GTY) is one where there is no stateroom number assigned at the time of booking. A stateroom may be assigned any time after final payment has been received, up to the day of sailing. A Guarantee stateroom guarantees you a stateroom in the category you have paid for (Inside, Oceanview etc.). It does not guarantee deck, location or specific bed arrangements. No changes will be made once a stateroom has been assigned.

WHAT SHALL I PACK?

The atmosphere on our modern ships is neither too dressy, nor too casual. In fact, you'll find that there are really only two types of attire you'll need. The atmosphere in the mid-ship main dining room, the buffet and most of our speciality restaurants is contemporary, so cruise casual attire is perfect. If you choose the more sophisticated atmosphere of the aft main dining room or select speciality restaurants, we ask you to wear smart casual attire.

Norwegian's Night Out is the perfect opportunity to get dressed up for an evening of cocktails, fine dining and great entertainment. You may also want to pack all-white for our iconic White Hot Party or H₂GLOW Party. And we recommend packing a sweater/pashmina too as some guests find the air conditioning a bit chilly.

As all your suitcases are collected the night before we return home, don't forget to bring an overnight bag for prescriptions and need-to-have items.

HOW MANY SUITCASES CAN I TAKE?

Each guest is allowed up to two pieces of checked luggage, each with a 22 kg maximum. If travelling by air, remember that airlines do have their own checked baggage and hand luggage restrictions, so please check these before travel. Airlines and Norwegian Cruise Line have limited liability for any loss and damage under international convention, so be sure all baggage and personal belongings are properly insured. Suitcases should be tagged. Medicines in their original containers, jewellery, fragile items, valuables and important documents should be carried in your hand luggage. If you are bringing your wheelchair, check with your airline for any restrictions they may have.

WHICH ITEMS ARE NOT PERMITTED ON BOARD?

Guests are not allowed to bring any intoxicating liquors/ beverages, travel irons, firearms, weapons of any kind, ammunition, explosive substances or any goods of a dangerous nature on board. Animals of any kind are not allowed on board, except service or guide animals, provided the guest notifies Norwegian Cruise Line prior to the cruise of his intention to bring such an animal and complies with all applicable conditions. Such guests must also agree to take sole responsibility for any expense, damage, injuries or losses associated with or caused by such an animal.

WHAT ARE PASSPORT AND VISA REQUIREMENTS?

Guests are responsible for ensuring they fulfil all passport and visa requirements for all countries visited during the cruise and when travelling to and from the port of embarkation/disembarkation. EU citizens need a full e-passport issued by an EU member state which must be valid for a minimum of six months beyond their return (also applicable for children of any age). A passport is also required for all European sailings (exception: citizens of Schengen States cruising on itineraries that do not leave EU territory). For further information please visit www.ncl.eu/visa-requirements.

The US Visa Waiver Programme (VWP) enables eligible citizens and nationals of designated countries to travel to the US for tourism and business stays of 90 days or less without first obtaining a visa. Travellers who do not qualify for the VWP must obtain a visa to travel to the United States. Should you need to obtain a visa, please be sure to apply for a multiple entry visa.

The Electronic System for Travel Authorisation (ESTA) is effective for citizens and eligible nationals of VWP countries to apply for advance authorisation to travel to the United States under the VWP. ESTA stipulates that all Visa Waiver Programme travellers are required to obtain via the internet (<https://esta.cbp.dhs.gov>) an electronic travel authorisation prior to boarding a carrier to travel by air or sea to the U.S. under the VWP. Countries currently enrolled in the VWP include the UK, Germany, Belgium, Denmark, Finland, France, Italy, the Netherlands, Norway, Portugal and Sweden, among others but not all EU member states. ESTA authorisations are valid for multiple entries within two years (or less if the passport expires during this period). Please note that U.S. authorities will charge a fee of US \$14 per person (status: May 2018) for travel authorisation. This fee has to be paid by credit card during the application process. Additional information regarding the VWP and ESTA is available at www.cbp.gov/esta. For U.S.-bound Atlantic Crossings, we strongly advise guests to print out their ESTA before travelling, as this is a requirement at check-in before you can board the ship.

All travellers (including children) must have an e-passport to use the Visa Waiver Programme. An e-Passport, denoted by the respective symbol, is an enhanced secure passport with an embedded electronic chip. E-Passports are issued by the proper passport issuing authority and must meet international standards for securing and storing information corresponding to the passport and bearer. More information can be found on <https://www.cbp.gov/>.

Please be aware that immigration and visa regulations are subject to change. For current information, please visit <https://travel.state.gov/content/travel/en/us-visas.html> or check with your travel agent and the respective embassies or consulates. The information above refers to the status at the time of printing. It is assumed that the traveller is a citizen of a Visa Waiver country. For all citizens of non-Visa Waiver countries, you will have to check individual treaties between your state and the U.S. Government and whether you have to apply for a special tourist visa with the U.S. embassy of your home state. Please consider that the application for a visa could take up to three months. To check participation of your state in the Visa Waiver Programme please refer to <https://www.cbp.gov/travel/international-visitors/frequently-asked-questions-about-visa-waiver-program-vwp-and-electronic-system-travel>.

Similarly to the U.S. VWP, since October 15, 2016, Canada requires visa-exempt foreign nationals who fly to or via Canada to obtain an Electronic Travel Authorization (eTA) prior to travel for a fee of CAD 7 per person. The ETA is valid for multiple entries within five years (or less if the passport expires during this period). For information please visit www.cic.gc.ca/english/visit.

All travellers who are not citizens of a VWP country please check your individual passport and immigration / visa requirements with your travel agent and the respective

embassies or consulates. Personal circumstances cannot be considered. We will try within our means to inform you of the applicable requirements. During most cruises, Norwegian Cruise Line personnel will need to retain your passport. You therefore have to carry a second government-issued photo ID with you at all times. It is the sole responsibility of the guest to provide all necessary documentation. Guests are not entitled to a refund if entry into any foreign territory or boarding is denied by immigration officials or Norwegian Cruise Line personnel for lack of proper documents.

The American Transportation Security Administration (TSA) has implemented the Secure Flight Programme for international air traffic. This programme intends to reduce the instances of misidentification of the travel authorized passengers to the U.S. as well as to enhance the security of air travel. Within this programme, all airlines commit to transmit the following Secure Flight Passenger Data (SFPD) from travellers which are arriving in and/or departing from the U.S. to the U.S. Department of Homeland Security: Full name as per valid government-issued passport (including middle name, initials), date of birth, gender and Redress Number (if applicable). Therefore we ask all guests to check their confirmation carefully. In case of any incorrect data appearing on the confirmation, please contact our reservations department. If there is no client data available at the time of booking, Norwegian Cruise Line will use the data from the Online Check-In. For further information on the Secure Flight Programme please visit <http://www.tsa.gov/secureflight>. Providing the Secure Flight Data does not release you from the obligation to apply for the advanced authorization to travel to the U.S. under the ESTA programme or to obtain a visa if the VWP does not apply to your visit.

A visa is required for some of the destinations visited on the Norwegian Jewel cruises on pages 68-71. The relevant information can be found here: CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). The required visas can be requested via the visa and passport service provider CIBTvisas (<http://cibtvisas.de/leisure-eu-splash>). If you would like to explore St. Petersburg individually, you can also request the corresponding visa via CIBTvisas. Additionally, all cruise guests sailing from a U.S. port to Cuba require a Cuban visa which needs to be obtained prior to your cruise. Please ask at time of booking or contact CIBTvisas. In all cases a fee applies. For cruises to Cuba, guests also need to document that they fulfil the requirements concerning cultural exchanges by completing a self-certification form which must be received by Norwegian Cruise Line at least 3 days prior to the cruise departure. To access the electronic version of the certification form please refer to <https://ncl.secure.force.com/CubaTravelAffidavit>. Guests will not be able to board the vessel without having first completed the certification form. Guests are responsible for ensuring they are in possession of all relevant documentation and visas for the entire cruise itinerary including all ports of call.

Customs allowances may vary depending on the itinerary. Please check on board, with your Ministry of Foreign Affairs or with the respective customs authorities for the most up-to-date information.

WILL I NEED TRAVEL INSURANCE?

Norwegian Cruise Line's liability is limited by international conventions and EU regulations, its booking conditions and conditions of carriage. We therefore recommend purchasing appropriate travel, health and luggage insurance before your cruise.

WHAT ARE NORWEGIAN CRUISE LINE'S AGE REQUIREMENTS?

All requirements stated below apply at the time of embarkation. Infants sailing on board a Norwegian Cruise Line vessel must be at least six months of age. However, for voyages that have three or more consecutive days at sea, the infant must be at least 12 months old.

When on board, a minor is defined as an individual under 18 years of age at the time of embarkation. A young adult is defined as an individual between the ages of 18 and 20. Please note that this does not relate to child pricing in our brochures, where the age is 2-17 years old.

Company policy states that on itineraries that include a port in the United States of America, Canada or China guests under 21 years of age must be accompanied in the same, connecting, or side by side stateroom by a guest who is 21 years of age or older at the time of embarkation (staterooms opposite of each other are not applicable under this policy). For all other cruises this regulation applies to all guests under 18 years of age with the exception of guests who are citizens of the United States of America, Canada or China. For guests under the age of 18 travelling with an accompanying adult, who is not the minor's parent or legal guardian, a Parent/Guardian ReleaseForm (available here: www.ncl.eu/ParentGuardianForm) that authorises the minor's travel and further authorises medical treatment in case of an emergency must be given to a Norwegian Cruise Line representative at the pier during check-in. Failure to present the completed form at embarkation may result in boarding being denied, with no refund provided.

On cruises that include a Canadian port, guests under 18 travelling with a single parent have to provide a letter of approval (preferably notarised) from the parent not travelling. Note: Two people under the age of 21 may travel together in the same stateroom if they are a married couple and provide proof of marriage to a Norwegian Cruise Line representative at the pier before embarkation.

Children under 16 years of age are not allowed to enter the fitness centre. The minimum age for use of the Casino and the Thermal Spa (sauna, steam room, hot tubs) is 18. Some bars and lounges on some of our ships, for example Spice H2O, are adult only (18 and over). Lifeguards monitor the family pools during scheduled pool hours. However it is strongly recommended that all children under 12 have adult supervision at all times. The safety of all children (up to the age of 18) is the responsibility of their parent(s) or other accompanying adult(s) irrespective of whether a lifeguard is on duty. For safety reasons children must not be left unattended on board when their parents or other accompanying adults go ashore.

WHAT ABOUT GUESTS WITH REDUCED MOBILITY, DISABILITIES OR MEDICAL CONDITIONS?

We welcome guests with special needs. The information you are provided with about your holiday (which may be on our website, in our brochures or elsewhere) before you make your booking will include a general indication of the suitability of the holiday for someone with reduced mobility. However, reduced mobility of course means different things to different individuals as we fully appreciate that individual capabilities, restrictions and requirements will vary considerably. If you suffer from reduced mobility or any medical condition or disability which may affect your holiday, please give us full details before booking so that we can provide you with precise information as to the suitability of the holiday taking into account your specific needs. Guests who have significant mobility impairments should travel with someone who will take responsibility for any assistance needed during the cruise and in the event of an emergency. Any assistance provided by Norwegian Cruise Line, its team members or service providers does not form part of the contracted services unless agreed differently in writing or where required by legal regulations (for example, in accordance with EU regulation 1107/2006 dated 5 July 2006 on the rights of disabled persons and persons with reduced mobility when travelling by air and EU regulation 1177/2010 dated 24 November 2010 concerning the rights of passengers when travelling by sea). Any special requirements which we have accepted will be specifically confirmed as accepted on your confirmation invoice. Unless and until specifically confirmed as accepted, all special requests and requirements are subject to availability and do not form part of the contracted services.

We have a limited number of staterooms per ship that are wheelchair accessible with grab rails in the bathrooms, lower sinks and toilets, shower seats, raised beds, adjustable hanging rods in wardrobes, tilting mirrors and extra wide doors for easy access. If you do use a wheelchair, you must bring your own and it must be collapsible. If you do not wish to bring your own wheelchair on board, please contact our U.S.-based supplier Special Needs at Sea on 001 954 585 0575 to arrange delivery of

one to the ship. All wheelchairs and scooters must be stored in your stateroom; they cannot be left in the hallway or any other public area. To ensure the safety of our guests and crew, wheelchairs may not be used to transfer from the ship to a tender. Guests in wheelchairs may consequently not be able to participate in certain activities or shore excursions in tender ports. Norwegian Cruise Line can only accept certain types of wheelchairs on board. Please see www.ncl.eu/accessible-cruising for further information. All guests who require medical equipment to be brought on board must advise Norwegian Cruise Line before sailing. Failure to do so may result in equipment not being cleared before departure.

Guests who need oxygen or require oxygen therapy are welcome on all Norwegian Cruise Line ships; however, you must supply your own oxygen. U.S.-based Special Needs at Sea is the only company allowed to deliver and supply oxygen to Norwegian Cruise Line ships. Let us know at the time of booking that you'll be bringing oxygen on board, then contact Special Needs at Sea at 001 954 585 0575 to arrange delivery to the ship.

Any physical challenge or medical condition that requires special treatment or attention must be reported to Norwegian Cruise Line at the time of booking. For certain conditions we ask for medical declaration and liability forms. Due to unpredictable circumstances at sea, Norwegian Cruise Line must reserve the right to refuse or revoke passage to anyone who, based upon objective standards, is in a physical or mental condition that jeopardises the safe operation of the vessel, who poses a direct threat to the health or safety of others or who may require care beyond that which Norwegian Cruise Line can provide.

For guests with diabetes, refrigerators suitable for storing insulin are available in all staterooms except Studios (category T1 and T8).

If you are on a low calorie diet, breakfast, lunch and dinner menus feature low calorie, haute cuisine dishes. Sugar-free and fat-free desserts are also available. Gluten-free, lactose-free, sodium-free, Kosher and dairy-free diets can also be catered for and must be requested at least two months before your cruise. For further information see www.ncl.eu.

WHAT IF I'M PREGNANT?

Norwegian Cruise Line will make every effort to accommodate you. However, to ensure your medical safety you must complete all travel before the 24th week of pregnancy. A medical certificate establishing your due date and fitness to travel is required prior to the cruise. Please be aware that Norwegian Cruise Line will not be liable if you are denied boarding at the port nor will we be responsible or liable for any complications of pregnancy that occur during the cruise.

WHICH VACCINATIONS MIGHT BE NECESSARY?

Norwegian will inform you at the time of booking about officially required immunisations necessary for entry into the countries visited during your cruise. However, since recommended immunisations and other health precautions often change, we suggest that you contact your physician, the local public health department or the Centre for Disease Control in time before departure. For further information please visit www.ncl.eu/vaccinations.

WHAT IS ONLINE CHECK-IN?

In order to comply with government regulations covering departure manifests, be sure to register online through our website (www.ncl.eu) after you have paid in full and before you leave on your Norwegian Cruise Line holiday. We strongly recommend that guests complete their Online Check-In at least one day before sailing, as otherwise they may be subject to an extended check-in procedure at the cruise terminal or may even be denied boarding.

They will also obtain 250 minutes free WiFi per Suite as well as US \$ 100 on-board spending money per Suite.

Please note that for cruises to/from Australia, Australian VAT has to be charged for all entertainment, drink and dining packages, spa and wellness treatments as well as shore excursions and further additional services (both if pre-booked and purchased on board).

Please note that the information provided in this paragraph is correct at the time of going to print but subject to change.

HOW TO HONOUR GOOD SERVICE?

With Premium All Inclusive the service charge and all tips related to the all-inclusive services are included in the price, thus guests should not feel obliged to offer a gratuity for good service. However, all of our staff are encouraged to 'go the extra mile', and so they are permitted to accept cash gratuities entirely at the discretion of our guests who wish to acknowledge particular staff members for exceptional or outstanding service. In other words, there is genuinely no need to tip but you should feel free to do so if you have a desire to acknowledge particular individuals.

Also, certain staff positions (e.g., concierge, butler, youth programme staff and beverage service) provide service on an individual basis to only some guests and do not benefit from the overall service charge included in your cruise fare. We encourage those guests to acknowledge good service from these staff members with appropriate gratuities.

Additionally, there is a 20% gratuity and spa service charge added for all spa and salon services, as well as a 20% gratuity and beverage service charge added for all beverage purchases not included in Premium All Inclusive and a 20% gratuity and speciality service charge added to all speciality restaurant dining and entertainment based dining e.g. Cirque Dreams® and Dinner.

ON BOARD

WHEN CAN I BOARD THE SHIP?

Arrival at the Cruise Terminal: Arrival at the Cruise Terminal: For your comfort and convenience, we recommend that guests do not arrive at the cruise terminal more than one hour prior to the scheduled embarkation time printed on their cruise documents. Due to security regulations, you may not be allowed to enter the cruise terminal before the scheduled embarkation time and may want to avoid waiting in potentially inclement weather as the waiting area outside the cruise terminal may be restricted. Please also note that refreshment facilities and seating at and around the cruise terminal may be limited. During the Online Check-In, you may be asked to select an arrival time at the pier. Please make sure to arrive at the selected time.

Final Boarding Time: In order to facilitate the embarkation process and the processing of your eDocs, and to comply with government regulations governing departure manifests, all guests are required to complete the Online Check-In at least one day prior to sailing. All guests must complete check-in at the cruise terminal and be on board the ship no later than one hour prior to the departure time noted on their cruise documents or they will not be permitted to sail. Please note that guests who have not filled out their Online Check-In will be required to complete check-in at the cruise terminal at least two hours prior to sailing. Any late arriving guest may join the ship at an approved port of call in the scheduled itinerary. Such guests will be responsible for all applicable fees and travel expenses to that subsequent port of call.

Boarding Time in Ports of Call: In all ports of call, it is also the guest's responsibility to be back on board the ship no later than one hour prior to the ship's scheduled departure time. Please be aware that shipboard time may differ from the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to rejoin the ship.

WHAT ABOUT CURRENCY AND HOW DO I PAY FOR MY EXTRAS ON BOARD?

The currency used on board our ships is US \$. We've made paying for on-board expenses very easy. When you check in you open a shipboard account by registering a major credit card VISA®, MasterCard® or American Express®. Please be advised that an initial as well as multiple holds will be placed on your card account based on your on-board purchases. This will reduce the amount of available credit on the card. After settling your on-board folio, these card holds may remain on your account for up to 30 days after the cruise ends. Authorisation-hold releases are solely within the discretion of your lending institution. If you prefer to pay by cash or traveller's cheques, a suggested deposit for a 7-day cruise is US \$ 300 per person, US \$ 150 per person for cruises up to 6 days or US \$ 450 per person for cruises of 8 days and more at check-in (subject to change). Then, you simply sign for your personal expenses as you go and they will be charged to your account.

Personal Cheques, debit cards or currencies other than the US \$ cannot be accepted on board, except on our European cruises where deposits in Euros are accepted. Any excess deposit will be refunded at the end of the cruise in US \$. Please note that, should you wish to change this excess deposit to Euros, a foreign exchange fee will apply. Please also keep in mind that it's always worth having a small amount of local currency for immediate expenses on arrival at your destination and for any purchases you make at your ports of call. Traveller's cheques and most major credit cards are accepted in the ports we visit.

IS THERE A DOCTOR ON BOARD?

A doctor and nurse are on each ship to provide medical care and services at customary charges. Please note that the medical facilities are designed to provide basic medical care and guests may have to be evacuated at their own expense in the event of serious illness. Please be aware that there is no dentist on board. Norwegian Cruise Line does not have the equipment on board to assist guests with any type of dialysis treatment.

Norwegian Cruise Line has its own charging system similar to shoreside facilities in the U.S. and we do follow standard medical care, so please insure you have appropriate travel insurance.

CAN I SMOKE ON BOARD?

We want you to be comfortable on board, so staterooms and public areas throughout all our ships are smoke-free. If you smoke cigarettes, you can do so in the casino (players only) or in the Cigar Bar (where available). If you prefer pipes or cigars, you can smoke in the Cigar Bar or designated smoking lounge. Also, you can smoke cigarettes, pipes and cigars in outdoor public guest spaces and open decks where designated by the appropriate signage. Please be aware that electronic cigarettes cannot be used in public areas where there is a no smoking policy in force. Smoking inside your stateroom or on your balcony will result in a US \$ 250 cleaning charge added to your on-board account. Please note that some countries have imposed a ban on e-cigarettes.

WHAT ABOUT ALCOHOL CONSUMPTION AND WINE CORKAGE?

On itineraries that include ports of call in the US, Canada or China, guests must be 21 years of age or older to purchase or consume alcohol. Alcoholic beverages as part of Premium All Inclusive are only included for guests 21 years of age and older in these destinations. On all other cruises this regulation applies to guests aged 18 years and above with the exception of guests who are US, Canadian and Chinese nationals. On cruises that include ports of call in the US, Canada or China and with the exception of Alaska and Hawai'i itineraries, Norwegian Cruise Line permits young adults between 18 and 20 years of age to purchase and personally consume wine and beer only while on board and with the consent of an accompanying parent. Authorisation will be given only when the accompanying parent completes the Young Adult Alcoholic Beverage Waiver form. This form can be obtained and completed at the Guest Services Desk on embarkation.

All guests are prohibited from bringing alcohol on board our ships with the exception of champagne and wine. If you purchase any alcohol at one of our ports of call or in our on-board shops, we will safely store your purchase(s) and on the final night of the cruise it will be available for pick up in a designated area. Please note that for wine and champagne brought on board by you, a corkage fee will apply if consumed on board.

Norwegian Cruise Line encourages the responsible use of alcohol and accordingly reserves the right to permanently or temporarily revoke the drinking privileges of any guest who violates Norwegian Cruise Line's Guest Code of Conduct or who is deemed a danger to himself, herself or others by vessel management. Continued abuse of alcohol while sailing and/or violation of Norwegian Cruise Line's alcohol policy may result in immediate disembarkation.

HOW DO I GET ASHORE?

In most ports your ship docks right alongside the quay and you simply walk ashore. At a few ports listed in the overview below (status May 2018), we drop anchor at sea and you go ashore in the ship's small boats – called tenders – which offer a complimentary shuttle service to and from the port.

All Norwegian Cruise Line ships are fully stabilised for the smoothest possible cruising.
